The image shows a smartphone screen with the iBreastExam app. The app has a dark background with white text. The top section is titled 'Symptoms' and lists five items, each with 'Yes' and 'No' toggle buttons. The bottom section is titled 'History' and includes a 'Menstrual Status' field with two options: 'Post-Menopausal' and 'Pre-Menopausal'.

Symptoms	Yes	No
Lower Abdominal Pain	<input type="checkbox"/>	<input type="checkbox"/>
Intermenstrual bleeding	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Bleeding after Intercourse	<input type="checkbox"/>	<input type="checkbox"/>
Itching On External Genitalia	<input type="checkbox"/>	<input type="checkbox"/>
Excessive Vaginal Discharge	<input type="checkbox"/>	<input type="checkbox"/>
